

## Emission Testing *Customer Bill of Rights*

**This facility is authorized by Ecology to do emission testing.**

**You have the right to...**

- Receive an emission test without buying any other goods or services.**
- A receipt that shows your vehicle passed its emission test, or why it failed.**
- Have your vehicle repaired at any facility you choose. Anyone can repair your vehicle. However, repair costs will only apply toward a waiver when an Authorized Emission Specialist (AES) performs the repairs.**
- A list of Authorized Emission Repair facilities.**

**For more information about emission testing or to report any possible fraud, go to [www.emissionstestwa.com](http://www.emissionstestwa.com) or call 1-800-272-3780.**
