

Application for an Authorized Tester

I agree to the following:

- My authorization may be suspended or revoked if I violate the rules and regulations of the state and the requirements of the department.
- I must complete an Ecology approved training course.
- Ecology staff may verify that I am following proper procedures.
- I must follow the Customer Bill of Rights.
- Only an Authorized Tester may perform emission tests.
- I must notify Ecology within 24 business hours when I change employment.
- Only Ecology and emission testing stations can consider for a waiver, diagnosis and repairs performed by an Ecology Authorized Emission Specialist. All emission control devices must be intact and operational when applying for a waiver.
